

Murder Mystery at Cedar Gables Inn

Dreamweavers Theatre was proud to perform an original murder mystery work as a fundraiser for Napa Emergency Women's Services, (NEWS). The performance was part of a live auction item at a NEWS fundraiser last year. The winning bidder paid almost \$4,000 to enjoy a catered dinner for 16 and the murder mystery performance at the beautiful Cedar Gables Inn in oldtown Napa.

Dan Monez produced, wrote, and directed this hilarious spoof on the wine country. The cast included Dreamweavers veterans Krisi Pilkington, Patte Quinn, Karen Chadbourne Jacobson, Jay Jacobson, Daryl Roberts, Bob Silva, and Dan Monez. Joining them was newcomer to Dreamweavers, Diana DiAngelo, who is a well known Marilyn Monroe impersonator and host of her own T.V. show "In the Spotlight" on Napa Valley TV Channel 28 .

The guests raved about the performance and the owners of Cedar Gables, Susie and Ken Pope, would like to make this performance a regular event at their Inn.
